Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 23 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry though increasingly cloudy overnight.

This Evening and Tonight:
A dry evening for most but becoming increasingly cloudy overnight from the east. A few thunderstorms may encroach into southern areas after dawn tomorrow. Still on the warm side. Minimum temperature 15 deg C (59 deg F).

Saturday:
Heavy rain and thunderstorms will push north across many parts through the morning. This should clear by mid-afternoon, resulting in sunny spells. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Sunny spells but more heavy, thundery showers on Sunday, especially further southeast. More showers likely on Monday and Tuesday, these perhaps becoming heavy and thundery.
